Dr. Vimal Choudhary is Chief Operating Officer at Khaitan & Co, bringing over 23 years of distinguished experience in global consulting, strategy, and operations leadership. Previously he was at McKinsey & Company, where he served as Head of McKinsey's Global Centres in India and Global Chief Strategy Officer at McKinsey Global Services, overseeing strategic transformation, capability building, and operational excellence initiatives. Dr. Choudhary is a Chartered Accountant and MBA, with deep experience in building world-class teams, driving large-scale transformations, and building client service offerings across multiple sectors and geographies.

REPRESENTATIVE MATTERS

Prior to joining the Firm, he was with McKinsey & Co. for more than 23 years where he was the Head of McKinsey's Global Centres in India and Global Chief Strategy Officer at McKinsey Global Services, where he led strategic initiatives, capability expansion, and operational infrastructure for one of McKinsey's largest office complexes outside the United States.

In his long career at McKinsey he has played several roles where he:

- Developed and executed global business strategy for McKinsey Global Services, encompassing finance, operations, and business transformation, budgeting, global footprint expansion, across multiple markets
- Drove people strategy, talent development, and organisational alignment across global teams
- Led cross-functional initiatives on operational efficiency and process redesign, generating significant value realization
- Oversaw strategic acquisitions and integrations, including ETML Singapore (a performance marketing analytics company), Aberkyn Netherlands (a leadership development company)

- Led engagement teams for transformational client projects in finance, operations, and technology
- Built knowledge management capabilities and global best practice platforms
- Managed client relationships and account development across multiple practice areas and geographies
