Goa

Priya is a Consultant in the Singapore office with over a decade of experience in advising and representing domestic and international investment banks, investors, and large multi-national companies operating in a wide range of sectors including manufacturing, banking and finance, real estate and hospitality across securities offerings. She has been a part of various capital markets transactions including some of India's first and largest IPOs across various industries. Further, she has experience in fundraisings by real estate investment trusts (REITs) and on advising listed companies on ongoing Securities and Exchange Board of India (SEBI) regulatory compliance.

REPRESENTATIVE MATTERS

In her areas of expertise, Priya has advised and represented several prominent clients which include:

Public Offers:

- **Fractal Analytics Limited;**
- **Executive Centre India Limited;**
- **Hyundai Motor India Limited** (the largest IPO in India until date and largest in Asia in 2024);
- **National Securities Depositories Limited** (the issuer is the only other depository in India (after CDSL);
- **Northern Arc Capital Limited;**
- **Travel Food Services Limited** (backed by UK-based SSP Group, a global travel food operator);
- **Brookfield India Real Estate Trust** (backed by Brookfield Corporation, this was the IPO of India's third REIT);
- **Ventive Hospitality Limited** (Blackstone backed hospitality company);
- **Emcure Pharmaceuticals Limited** (an Indian pharmaceutical company with global presence);

- Utkarsh Small Finance Bank Limited;
- Varroc Engineering Limited (the issuer group is one of the largest Indian auto component manufacturers); and
- Endurance Technologies Limited.

Qualified Institutions Placement:

- Hitachi Energy India Limited;
- Titagarh Rail Systems Limited; and
- Brookfield India Real Estate Trust (this was the second institutional placement by a listed Indian REIT).
