## REPRESENTATIVE MATTERS

In his area of practice / expertise, Siddharth has advised and represented several prominent clients including:

- **Haldiram Group** and its promoters, the Agarwal family on the sale of stake to Temasek Holdings' subsidiary, Jongsong Investments. In a subsequent transaction, Alpha Wave Ventures II LP and International Holdings Company P.J.S.C. will acquire an additional stake in the Haldiram group from existing shareholders. These strategic transactions collectively stand as the largest private equity deal in India's consumer sector and will create India's largest diversified snack foods business;
- **Insud Pharma**, a leading Spanish multinational pharmaceutical company, in relation to the divestment by Viatrix Inc. of its Women's Healthcare business, primarily related to oral and injectable contraceptives, to Insud Pharma;
- **City Football Group** (which owns Manchester City) in its acquisition of Mumbai City FC, the Mumbai franchise of the Indian Super League. It was one of the biggest acquisitions in sports M&A in India;
- **PlaySimple Games Private Limited** and its Promoter group in relation to the 100% acquisition of PlaySimple Games Private Limited by the Modern Times Group (MTG). It was the biggest exit in the Indian start-up ecosystem and one of the largest deals amongst the gaming start-ups in India; and
- **Softbank** in a number of its investments in India.
